Hi Lilian,

I'm forwarding the email Holly sent on 6/17 with Northrop Grumman's responses to EPA's comments. Please let me know if you have any questions.

Thanks,
Josh

Hello Joshua,

EPA hasn't received any response to our comments yet. Could you please provide us an update on that?

Thank you,

Lilian Abreu, MS, PhD

Dear Joshua,

Attached is EPA response regarding the SSDS modification evaluation and design.

Please let me know if you would like to schedule a call to discuss EPA response comments.

Please confirm receipt of this message.

Sincerely,

Lilian Abreu, MS, PhD

Dear Joshua,

Thank you for reaching out and leaving me a voice message.

EPA is finalizing the comments on the SSDS modification evaluation and design and I'll send you a response with our evaluation this Friday and we can plan a call for discussions afterwards.

I appreciate your offer to make a presentation and I agree this is a good idea. I will reach out to you on the week of May 30 so we can plan a schedule for that. I will be on work related travel all next week, so I could not accommodate that sooner.

Please confirm the receipt of this message.

Respectfully,

Lilian Abreu, MS, PhD

A black and white advertisement for AECOM's PFAS services. On the left, there is a square graphic with a background image of a landscape. Overlaid on the image is a white square containing the letters 'PF' stacked above 'AS'. Below this, in smaller text, is the phrase 'IDENTIFY RESOLVE'. To the right of the graphic, the AECOM logo is displayed in a bold, sans-serif font. Below the logo, the text reads: 'Discover how we're helping organizations around the world identify and resolve PFAS.' At the bottom of this text block, the website address 'aecom.com/pfas' is provided.
